

**COOPERATION AGREEMENT BETWEEN
THE COUNTY OF ESSEX AND CERTAIN MUNICIPALITIES
FOR CONDUCTING CERTAIN COMMUNITY DEVELOPMENT ACTIVITIES**

THIS COOPERATION AGREEMENT (“Agreement”), dated this 15th day of June, 2020, by and between the County of Essex, a body politic and corporate of the State of New Jersey (“County”), and the Township of West Orange, a municipal corporation of the State of New Jersey (“Municipality”).

WHEREAS Title I of the Housing and Community Development Act of 1974 provides for substantial federal funds being made to certain urban counties for use therein through the Community Development Block Grant (“CDBG”) Entitlement Program, and

WHEREAS the Emergency Solutions Grant program (“ESG”) provided through Subtitle B of Title IV of the McKinney-Vento Homeless Assistance Act permits for substantial federal funds allocated to prevent homelessness and to enable homeless individuals and families to move toward independent living; and

WHEREAS this Act establishes certain criteria which must be met in order for a county to be the recipient of said funding, and

WHEREAS the Uniformed Shared Services Act (N.J.S.A. 40:8A-1 et seq.) provides a mechanism through which counties and municipalities may enter into agreements for the provision of joint services, it is therefore agreed by the County and Municipality as follows:

A. This agreement covers activities to be carried out with annual CDBG (and where applicable, HOME and ESG) funds from Federal fiscal years 2021, 2022, and 2023 appropriations, and for successive three (3) year periods, as provided in the Housing and Community Development Act and until terminated.

B. Community Development Planning Process

1. Nature and Extent of Services

a) Purpose. The purpose of this Agreement is to establish a legal mechanism through which the county government may apply for, receive, and disburse federal funds available to establish urban counties under Title I of the Housing and Community Development Act, the CDBG Entitlement Program, and Title II of the Cranston-Gonzalez National Affordable Housing Act of 1990 (“NAHA”), the HOME Program, to undertake or assist in undertaking such actions in cooperation with the participating municipalities as may be necessary to participate in the benefits of these programs.

Federal CDBG funds received by the County shall be for such functions as water and

sewer facilities, neighborhood facilities, public facilities, housing rehabilitation, open space and such other purposes as are authorized by the Act. Federal HOME funds received by the County shall be for such functions that expand the supply of decent, affordable housing for low and moderate-income families. The County and the Municipality agree to cooperate to undertake, or assist in undertaking, community renewal and lower income housing assistance activities, specifically urban renewal and publicly assisted housing, and such other purposes as are authorized by the Act. Nothing contained in this Agreement shall deprive any municipality or other unit of local government of any powers of zoning, development control or other lawful authority which it presently possesses, nor shall any participant be deprived of any state or federal aid to which it might be entitled in its own right, except as herein provided.

b) Responsibilities of Participating Municipality: The execution of this Agreement by the appropriate officials of the participating Municipality signifies that the Municipality understands that it:

(1) May not apply for grants from appropriations under the state CDBG Program for fiscal years during the period in which it participates in the County's CDBG Program; and

(2) May receive a formula allocation under the HOME Program only through the County's urban county allocation. Thus, even if the County does not receive a HOME formula allocation, the participating municipality cannot form a HOME consortium with other local governments; and

(3) May receive a formula allocation under the ESG Program only through the urban county.

c) Establishment of Committee: There is hereby established a cooperative CDBG Committee, consisting of two (2) representatives from each participating Municipality and two (2) representatives of the County, each to be appointed for one year periods coinciding with the calendar year. The governing body and the chief executive of each participating agency shall make one (1) appointment each.

d) Responsibilities of Committee

(1) The Committee shall take formal action only upon two-thirds vote of the full membership thereof.

- (2) With the concurrence of the Board of Chosen Freeholders an Administrative Liaison Officer shall be designated. He/She shall be an employee of the County. He shall within the limits of resources available, provide technical and administrative support to the CDBG Committee, and shall provide liaison between the CDBG Committee and the Board of Chosen Freeholders.
- (3) The CDBG Committee shall meet promptly after its establishment and thereafter as often as required. It shall establish rules of procedure as may be required.
- (4) The CDBG Committee shall study and discuss the community development needs of the County, which affect the participating local governments, and shall determine the most effective and acceptable utilization of CDBG funds available to the County government. It shall recommend to the Board of Chosen Freeholders an application for participation in Federal funding, and towards that end it shall, in the manner herein prescribed, be authorized to develop a 5-year Consolidated Plan for the County, including a housing assistance program, and such other documents and certifications of compliance as are required by the Federal Government for participation by the County in the CDBG Program.
- (5) The CDBG Committee shall develop, in full consultation with the county planning board and all affected agencies of the local governments involved, priorities for actual utilization of such funds as are made available from the Federal Government under this Title. The CDBG Committee shall recommend for each project or activity to be carried out with these funds a specific means of accomplishment. This may be for the County to carry out the project or function, for a Municipality to receive the monies to carry it out, or for some other combination of local or State agencies. Such implementation mechanism shall be established either by means of a separate contract entered into between the county government, upon the approval of the CDBG Committee, and the Municipality in which the activity or function is to take place, pursuant to the provisions of the Interlocal Services Act, or by inclusion of such information in section C of this Agreement, subject to the same approvals. The implementation mechanism shall be established before submission of the application to HUD, and any relevant documents become part of this agreement and should be submitted to HUD with it.
- (6) Every municipality participating in the CDBG committee may request participation in the expenditure of the Federal funds, comment on the overall needs of the County which may be served through these funds, or otherwise take part in the proceedings of the CDBG Committee through its members of the CDBG Committee. Pursuant to 24 CFR 570.501(b), every participating municipality is subject to the same requirements applicable to subrecipients of the federal funds, including the requirement of a written agreement set forth in 24 CFR 570.503. Pursuant to 24 CFR 570.501 and 24 CFR 570.503, the County shall enter into a written agreement

with the Municipality prior to the disbursement of any funds for an approved project. No project may be undertaken or services provided in any municipality without the approval of the governing body of the municipality, which approval shall be established as provided in Subsection (5) above in addition to such other approvals as may be required by law. The Municipal approval of any projects or services shall not be a restriction or veto on the implementation of the approved Consolidated Plan. The County has final responsibility for selecting CDBG (and where applicable, HOME and ESG) activities and submitting the Consolidated Plan to HUD.

2. Standards of Performance

Every Interlocal Service Agreement established pursuant to this agreement shall contain standards of performance as required by the Interlocal Services Act and by the Housing and Community Development Act. Annually, a report shall be prepared by the Committee by each recipient of funds describing whether the desired objectives have been attained. The Committee shall thereupon report its findings to all participating local governments, and shall submit such reports to the Board of Chosen Freeholders as may be required for submission to the Federal Government.

3. Estimated Cost and Allocation thereof

The amount of Federal funds involved shall be the amount applied for by the Board of Chosen Freeholders pursuant to the recommendations of the Committee, subject to any modifications made by HUD. Any Federal funds received by letter of credit or otherwise shall be placed in a County Trust Funds established and maintained pursuant to regulations promulgated by the Director of the Division of Local Government Services in the New Jersey Department of Community Affairs. This fund shall be in a separate bank account subject to the control of the County government, which shall be the designated recipient for the funds provided by the Federal Act. Upon authorization by the County, and in compliance with State law and promulgated regulations, funds may be expended from this Trust Fund by the County or by payment to the particular municipality pursuant to a specific contract. Neither the committee, the county government, nor any participating local government may expend or commit funds except as may be authorized pursuant to this agreement and in full compliance with State and Federal laws and regulations. No participant under this contract may in any way be obligated to expend funds of its own except as may be mutually agreed in a lawful manner.

4. Duration of Contract and Automatic Renewal

The term of this Agreement shall be for three (3) years commencing on September 1, 2020, and extend through the federal fiscal years 2021-2023, which ends August 30, 2021, unless an earlier date of termination is fixed by the HUD pursuant to law.

This Agreement will be automatically renewed for participation in successive three (3) year qualification periods, unless either the County or Municipality provide written notice to the other party that it elects not to participate in the next three (3) year period. By no later than May 16th of the final year of the three (3) year ongoing program, the County will notify the participating Municipality, in writing, of its decision not to participate in the next qualification period. By no later than June 20th of the final year of the ongoing three (3) year program, the municipality shall provide written notice to the Newark Area Office of HUD and the County of its decision not to participate in the next qualification period. The determination not to participate by either party shall remain in effect for the next three (3) successive years. In no case may the Municipality drop out of an ongoing three (3) year program except as a result of HUD action.

The County and Municipality shall adopt any amendment to this Agreement incorporating changes necessary to meet the requirements for Cooperation Agreements set forth in the Urban County Qualification Notice applicable for any subsequent three (3) year qualification period, and to submit such amendment to HUD at the time of such automatic renewal and if the consortium's membership has changed, the state certification required under 24 CFR 92.101(a)(2)(i), and that such failure to comply will void the automatic renewal for such qualification period.

The terms of this Agreement shall remain in effect until CDBG (HOME and ESG where applicable) funds and program income received with respect to eligible activities carried out during the three (3) year period and each successive qualification period for which the agreement is renewed are expended and funded activities completed.

5. Designation of Administrative Liaison Officer

The Administrative Liaison Officer selected pursuant to section B 1 (d) (2) of this Agreement is hereby designated as the administrative agent of the Board of Chosen Freeholders for purposes of compliance with statutory and regulatory responsibilities. He shall be accountable to the Board of Chosen Freeholders, and for this purpose shall be subject to the supervision of the Board.

C. Qualification as Urban County

In addition to such assurances and agreements as may have been made by previously executed ordinances in order to meet the criteria for funding eligibility as an "urban county" the municipality will cooperate with the county by undertaking or assisting in the undertaking of essential community development and lower-income housing assistance activities specifically including community renewal and publicly assisted housing as set forth in the application filed. The Municipality and the County will

This Agreement shall be effective only when sufficient municipalities have signed the Agreement so that a population of 200,000 is represented and when all other federal eligibility criteria for designation as an "urban county" under the Act have been satisfied. In the event that sufficient municipalities do meet these criteria should not sign the Agreement within the time period set forth by HUD, the Freeholder Director shall so notify all signatories and the Agreement shall thereupon be null and void. In order to comply with federal requirements, the County government, through the Board of Chosen Freeholders, shall be the applicant for community development funds and shall take the full responsibility and assume all obligations of an applicant under the federal Act. The County shall have final responsibility for selecting activities and annually filing final statements, including the Consolidated Plan, with HUD.
