General Notes and Data Sources:
The Ward/Election district boundary maps are for informational purposes only and are not intended for legal work, planning decisions, or development activity. The areas, boundaries, and detail are subject to change and not to be used for legal or development decisions.

Additional important data boundaries are available upon request for the Essex County Board of Elections. The 2020 Census demographic data were obtained and compiled from the U.S. Census Bureau (2020 Census Summary File). Additional cadastral data, such as, roads, railroads, streams, parcels, etc., were obtained from the New Jersey Geographic Information System (GIS) and the New Jersey Department of Environmental Protection. All data and maps were produced in accordance with the experts of the United States Census Bureau and the New Jersey Board of Geographic Names.

All changes and updates are based on the following:
- NJ 2020 Census Shapefiles
- New Jersey Tax Coordinate System
- New Jersey State Plane Coordinate System

The geographic accuracy and purpose of the Geographic Information System (GIS) data is intended for use as a planning tool. The data is not intended for legal or development activity, and the locations and boundaries are not to be used for legal or development activity. The data was obtained from the New Jersey Geographic Information System (GIS) and the New Jersey Department of Environmental Protection. All data and maps were produced in accordance with the experts of the United States Census Bureau and the New Jersey Board of Geographic Names.
