### **Legislative History**

The Ordinance, which amends the Traffic Regulations of the Township, designates Edgewood Avenue between Rock Spring Avenue and Fairview Avenue and Edgewood Avenue/ North Edgewood Avenue between Fairview Avenue and Old Indian Road/ Gavin Road be designated a Through Street with Stop signs on all approaching and intersecting streets. Due to the volume of traffic along Edgewood Avenue, Edgewood Avenue is designated as the major street with all interesting streets the minor street. This includes Westview Road, Old Salem Road, Nymph Road, Elf Road, Kingwood Road, Lessing Road, Arverne Road, Barone Road and Edgar Road. All of these roads except Lessing Road and Arverne Road form a “T” intersection with Edgewood Avenue. The other two are a four-way intersection. The Township's Engineering Division determined that traffic needed to be regulated on all minor street approaches to these intersections for the safe movement of traffic through them. Currently only Lessing Road and Arverne Road are regulated with Stop signs. The other streets of Rock Spring Avenue, Fairview Avenue and Old Indian Road/ Gavin Road are all multiway stops.
