**Re: PROPOSAL FOR ENVIRONMENTAL SERVICES
FORMER BARTON PRESS
55 LAKESIDE AVENUE
BLOCK 115, LOTS 15 & 17
WEST ORANGE, NEW JERSEY
MATRIX NO. 21-1041**

Dear Mr. Gross:

As requested, Matrix New World Engineering, Land Surveying, and Landscape Architecture, P.C. (Matrix) is pleased to provide this proposal to complete environmental services for the Former Barton Press property, located at 55 Lakeside Avenue (Block 115, Lots 15 and 17) in the Township of West Orange (Township), New Jersey (Site). The proposed work will be completed in accordance with the Site Remediation Reform Act (SRRA), N.J.S.A 58:10C-1 et seq., the Administrative Requirements for the Remediation of Contaminated Sites (ARRCS), N.J.A.C. 7:26C, the Technical Requirements for Site Remediation (TRSR), N.J.A.C. 7:26C, and applicable New Jersey Department of Environmental Protection (NJDEP) Guidance Documents.

SCOPE OF WORK

The scope of services and associated fees are described in detail below.

TASK 1: Preparation of Cost Estimate to Complete Remediation at the Site and Response to Prism's Objections and Request for Additional Information

As required by the purchaser-seller agreement (PSA) with Prism, Matrix prepared a remediation cost estimate that listed the sequence of tasks required to bring the above referenced project to completion with the NJDEP and provided a detailed breakdown of associated costs supported by an excel spreadsheet. A high level of detail and supporting backup information was necessary as it was anticipated that Prism would object to our costs to complete remediation at the site. (It is important to note that previous proposals did not include a budget to prepare a detailed cost estimate with supporting documentation.)

Letters dated July 20, 2022, and July 21, 2022, were received from Prism's legal counsel that raised objections to our remediation cost estimate and requested additional information.

After internal discussions and a Teams meeting with Carmella Seslar, Esquire of Wilentz, it was decided that Matrix would provide a written response to both letters received from Prism's legal counsel.

COSTS

The costs to provide a written response are provided below but **do not include** extensive negotiations with Prism or an independent third party LSRP, if necessary. If such actions are required additional funding will be necessary. The ultimate cost of reaching an agreement with Prism will be dictated by Prism and at the moment the course of action to reach resolution is unclear.

Task 1 – Preparation of Cost Estimate to Complete Remediation at the Site and Response to Prism’s Objections and Request for Additional Information

Labor	\$ 15,550.00
Total for Task 1	\$ 15,550.00

Total Estimated Costs	\$ 15,550.00
------------------------------------	---------------------

ASSUMPTIONS AND EXCLUSIONS

This proposal is based on the following assumptions:

- No additional assessment activities or LSRP documents beyond the activities identified in the scope of work are included;
- All work will be completed during normal business hours;
- Costs exclude any NJDEP inspections;
- Costs do not include any additional NJDEP notification or reporting fees;
- All external costs will be charged at cost plus 15%.

Separate authorization from the client will be requested prior to commencing services outside the scope of this proposal.

All out-of-pocket expenses including, but not limited to, application fees, laboratory testing costs, mylar copies, certified mailings, photographs, blueprints, and special deliveries are considered additional to the proposal items unless specifically noted within the scope of this proposal.

This proposal is submitted solely and exclusively for the use of Township of West Orange for consideration of the professional services of Matrix. Disclosure of this proposal’s content to any third party without prior written authorization from Matrix is expressly prohibited.

In addition to the specific items as listed herein, the client may be required to demonstrate compliance with certain permit and approval conditions as may be imposed by one or more of the regulatory agencies. These conditions may require revisions to the plans and/or preparation of additional supporting documentation. This proposal does not include these additional items unless specifically outlined within the scope of this proposal.

PAYMENT SCHEDULE

Payment shall be in accordance with the Charges, Billing, and Payment schedule outlined in the Terms and Conditions attached to this proposal unless prior written arrangements have been made with Matrix.

TERMS AND CONDITIONS FOR PROFESSIONAL SERVICES
Matrix New World Engineering, Land Surveying and Landscape Architecture, PC

Section 1: SERVICES

Matrix New World Engineering, Land Surveying and Landscape Architecture, PC (Matrix) agrees to perform the professional services (the "Services") as described in the Proposal incorporated herein by reference for the CLIENT on a best efforts, time and materials basis, consistent with the applicable standard of care, under the terms and conditions set forth below. Matrix reserves the right to amend the contents of the Proposal, if written authorization is not received within 90 days. These Terms and Conditions together with the Proposal constitute the agreement between Matrix and the CLIENT for the Services (the "Agreement").

Section 2: COMPENSATION

The CLIENT shall be responsible for all costs specifically enumerated in the proposal. For any costs set forth in the proposal as an estimated range, Matrix shall provide CLIENT with an exact cost as soon as it can be determined.

CLIENT shall also be responsible for any REIMBURSABLE COSTS not specifically set forth in the proposal. REIMBURSABLE COSTS include: out-of-pocket expenses, the cost of which shall be charged at actual cost plus an administrative charge of fifteen percent (15%) and shall be itemized and included in the invoice. Typical out-of-pocket expenses shall include, but not be limited to, travel expenses (lodging, meals, etc.), job-related mileage at the prevailing IRS mileage rate, long distance telephone calls, printing and reproduction costs, and survey supplies and materials.

Section 3: CLIENT'S OBLIGATIONS

To assist Matrix in performance of the Services, CLIENT shall provide Matrix with appropriate material, data and information in its possession pertaining to the specific project or activity. Matrix shall be entitled to rely upon the accuracy and completeness of services and information furnished by the CLIENT and CLIENT's consultants.

The CLIENT will advise Matrix of the nature and extent of any hazardous waste at the site. If Matrix discovers after it undertakes the Services that the site is of a different nature of hazard as defined by the client, or if unanticipated hazards are presented, the CLIENT and Matrix agree that the scope of services, schedule and estimated budget fee shall be adjusted as needed to complete the work without injury or damage.

Unless otherwise specifically provided in this agreement, Matrix and its consultants shall have no responsibility for the discovery, presence, handling, removal or disposal of or exposure of persons to hazardous materials or toxic substances in any form at the project site.

Section 4: INVOICE PROCEDURE AND PAYMENT

Matrix will submit invoices to the CLIENT monthly and a final bill upon completion of the Services. Payment is due thirty (30) days from invoice date. CLIENT agrees to pay a finance charge of one and one-half percent (1.5%) per month, or the maximum rate allowed by law on past due accounts. CLIENT will be liable for all collection and court costs, disbursements, staff time expended for court appearances and depositions, and attorney's fees incurred in the collection of any outstanding invoices.

Section 5: OWNERSHIP OF DOCUMENTS

All survey notes, drawings, bills of materials, specifications, blueprints, reports, calculations, and all other material prepared by Matrix and its consultants in connection with the specific project, including those in electronic form, are Instruments of Service to be used solely with respect to this Project. Matrix and its consultants shall be deemed the authors and owners of their respective Instruments of Service and shall retain all common law, statutory and other reserved rights including copyright.

Upon execution of Agreement, Matrix grants to CLIENT a non-exclusive license to reproduce the Instruments of Service solely for the purposes of constructing, using, and maintaining the Project, provided that CLIENT shall comply with all obligations, including prompt payment of all sums when due, under this Agreement. CLIENT shall not assign, delegate, sub-license, pledge or otherwise transfer any license granted herein to any other party without the prior written agreement of Matrix.

Any unauthorized use and/or use of the Instruments of Service in violation of this Agreement, shall be at CLIENT'S sole risk and without liability to Matrix and its consultants, and CLIENT shall defend and indemnify MATRIX and its consultants against any claim and damages arising from such unauthorized use. The terms of this Section shall apply unless and until it is adjudged by a court of competent jurisdiction that CLIENT rightfully terminated this Agreement for cause under Section 19.

If and upon the date that Matrix is adjudged in default of this agreement by a court of competent jurisdiction, the foregoing license shall be deemed terminated and replaced by a second, nonexclusive license permitting CLIENT to authorize other similarly credentialed design professionals to reproduce and, where permitted by law, to make changes, corrections, or additions to the Instruments of Service solely for purposes of completing, using and maintaining the Project.

If set forth in the Proposal, the Instruments of Service shall become the co-owned property of the CLIENT and shall be transferred to the CLIENT upon completion of the project and upon receipt of complete payment for the scope of work outlined in the Proposal. Matrix may retain a single copy of such information and documents.

Section 6: CONFIDENTIALITY

Matrix agrees to keep confidential and not to disclose to any person or entity, other than Matrix's employees and subcontractors, without the prior consent of the CLIENT, all data and information not previously known to and generated by Matrix, or furnished to Matrix and marked CONFIDENTIAL by the CLIENT in the course of Matrix's performance hereunder; provided, however, that this provision shall not apply to data which are in the public domain, or were previously known to Matrix, or were acquired by Matrix independently from third parties not under obligation to CLIENT to keep said data and information confidential. CLIENT shall not restrict Matrix from complying with an order to provide information or data when such order is issued by a court, administrative agency or other authority with proper jurisdiction.

The technical and pricing information contained in any proposal submitted by Matrix as to this project, or in the Agreement or any addendum thereto, is

to be considered confidential and proprietary, and shall not be released or otherwise made available to any third party without express written consent of Matrix.

Section 7: BURIED UTILITIES AND HIDDEN CONDITIONS

Matrix will conduct the research that in our exclusive professional opinion is a reasonable precaution to locate utility lines and other man-made objects that may exist beneath the project site surface. The CLIENT recognizes that Matrix's research may not identify all subsurface utilities or other subsurface objects, and therefore the CLIENT agrees to release, hold Matrix harmless and indemnify and pay for damages to underground utilities/structures and/or other damages related to construction activities, worker health/safety, schedule delays, etc. Which may be attributable to underground objects which are not identified by the CLIENT or third parties or correctly shown on plans furnished by the CLIENT or third parties.

In the event that the services provided by Matrix are for renovations and/or addition to an existing structure, there may exist existing conditions which cannot be identified or verified without expending great sums of money and/or destroying portions of the building. CLIENT agrees that Matrix shall not be responsible for damages or additional costs which arise out of hidden conditions not identified and/or located by Matrix.

In the event that the services provided by Matrix involve the investigation of, or assumptions about, subsurface conditions of any kind, the CLIENT recognizes that subsurface conditions may vary from those encountered at the location where, and at the time when, borings, sampling, or testing is performed by Matrix and that the data provided by Matrix are based solely on the information available to Matrix. The CLIENT agrees to release, defend indemnify and hold Matrix harmless from and against all claims, damages, losses and expenses arising from the interpretation by others of data provided by Matrix.

Section 8: DISCOVERY OF UNANTICIPATED HAZARDOUS MATERIALS

Hazardous materials or certain types of hazardous materials may exist at a site where there is no reason to believe they could or should be present. Matrix and the CLIENT agree that the discovery of unanticipated hazardous materials constitutes a changed condition mandating a renegotiation of the scope of Services and compensation for the Services or termination of the Agreement. Matrix agrees to notify the CLIENT as soon as practically possible should unanticipated hazardous materials or suspected hazardous materials be encountered. The CLIENT authorizes Matrix to take measures that in Matrix's professional opinion are justified or legally required to preserve and protect the health and safety of Matrix's personnel and the public, and/or the environment, and the CLIENT agrees to compensate Matrix for the additional cost of such measures.

In addition, the CLIENT waives any claim against Matrix, and agrees to indemnify, defend and hold Matrix harmless from any claim or liability for injury or loss arising from Matrix's encountering, reporting or responding to unanticipated hazardous materials or suspected hazardous materials. The CLIENT also agrees to compensate Matrix for time spent and expenses incurred by Matrix in defense of any such claim, with such compensation to be based upon Matrix's prevailing fee schedule and expense reimbursement policy.

Section 9: STANDARD OF CARE

The Services provided by Matrix under the Agreement will be conducted in a manner consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions. No other representation, express or implied, and no warranty or guarantee, in fact or by law, whether of merchantability or fitness for a particular purpose or otherwise, is included or intended in the Agreement, or in any report, opinion, document or otherwise.

Matrix shall not have control over or charge of and shall not be responsible for the acts or omissions of CLIENT and/or Builder/Contractor, subcontractors, consultants or their agents or employees, or of any other persons or entities performing portions of the Work. Matrix shall not supervise, direct or have control over the contractor(s) work, nor shall Matrix have any authority over, or responsibility for, the means, methods, techniques, sequences or procedures of construction selected by the contractor(s), or for any safety precautions or programs incident to the work of the contractor(s), or for any failure of the contractor(s) in furnishing or performing its(their) work. Matrix neither guarantees the performance of any construction contracts by contractor(s), nor assumes responsibility or liability for the contractor's(s') failure to furnish or perform its (their) work in accordance with the applicable contract documents.

When provided, and unless otherwise expressly provided in the Scope of Services, field visits are to observe the progress and general quality of the work completed by the contractor. Unless expressly stated otherwise, such visits and observation are not intended to be an inspection of the quality or quantity of the Contractor's work but rather are solely intended to allow this office to become generally familiar with the work in progress and to determine, in general, if the work is proceeding in accordance with the Construction Documents directly related to this office's scope of services. During or as a result of these site visits, this office shall neither have control over or charge of, nor be responsible for, the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the work. Unless required in this Agreement, material testing and inspection shall be provided by a material testing and testing agency retained by others.

Section 10: INDEPENDENT CONTRACTOR

Matrix shall be an independent contractor in performing the Services and shall not act as an employee of the CLIENT. As such, and subject to the terms and conditions hereof, Matrix shall be responsible for its employees, subcontractors, and agents and for their compensation, benefits, contributions, and taxes, if any.

Section 11: JOBSITE HEALTH AND SAFETY

Insofar as jobsite safety is concerned, Matrix is responsible solely for its own employees' and subcontractor's activities on the jobsite, but this shall not be construed to relieve the CLIENT or his contractors from their responsibility for methods of work performance, superintendence, sequencing of construction, or safety in, on or about the jobsite.

Section 12: INSURANCE

Matrix is insurance as follows: 1) Worker's Compensation Insurance as required by applicable law, 2) General Liability and Automobile Liability Insurance (in the amount of \$1,000,000 combined single limit) for bodily injury and property damage, and 3) Professional Liability (Errors & Omissions) with policy limits equal to at least \$1,000,000. Upon request, Matrix shall provide insurance certificates illustrating the coverage herein.

CLIENT shall require the contractor(s) hired for the project to maintain general liability insurance (including coverage for premises, personal injury, property damage, completed operations, and contractual liability) naming CLIENT, Matrix and its consultants and employees, as additional insureds.

Matrix may terminate services if proof of additional insured status is not provided prior to the start of construction without any liability to CLIENT for resulting damages, whether due to delay or otherwise.

Section 13: INDEMNITY

A. Matrix

Matrix agrees to indemnify and hold harmless CLIENT from and against any damages (including legal fees and costs of investigation where recoverable by law) to the actual extent of negligence of Matrix in the performance of the Services hereunder, provided that such loss, damage, liability or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property.

B. CLIENT

The CLIENT, agrees to indemnify and hold harmless Matrix from and against any damages, (including legal fees and costs of investigation where recoverable by law) to the actual extent of negligence of the CLIENT, or anyone directly or indirectly employed by the CLIENT, in the performance of the CLIENT's obligations under the Agreement, any non-conforming wastes waste(s) or discrepancies in the pertinent manifest(s) as defined by applicable regulations, or an condition existing at the work site(s) prior to the date of the Agreement or caused by anyone directly or indirectly employed by the CLIENT.

Section 14: LIMIT OF LIABILITY

- A. In no event shall Matrix, its employees, agents, consultants (including subcontractors) be responsible for any incidental, indirect, impact, or consequential damages (including loss of profits), liabilities or expenses incurred by the CLIENT or any third party as a result of Matrix's performance or nonperformance of the Services contracted for herein, and the CLIENT waives all such incidental, indirect, impact, or consequential damages.
- B. The obligations of Matrix under the Agreement are not intended to and shall not be personally binding on, nor shall any resort be had to the private properties of, any parent, subsidiary or affiliate of Matrix, or any of their respective officers, directors, shareholders, partners, principals, members, managers, beneficiaries, employees, consultants (including sub-contractors) or agents. - C. Matrix's total liability to CLIENT for any and all injuries, claims, losses, expenses or damages whatsoever arising out of, or in any way related to the Agreement from any cause or causes, including but not limited to Matrix's errors, negligence, omissions, strict liability, breach of contract or breach of warranty, shall not exceed the total contract amount for the Services provided by Matrix or the limit of liability available at the time of the claim, whichever is lesser.
- D. Matrix disclaims, and the CLIENT waives, any implied warranties of merchantability or fitness for a particular purpose with respect any equipment or other personal property procured by Matrix and provided to the CLIENT as part of any Services.
- E. Matrix and CLIENT agree that, to the extent any damages are covered by property insurance during construction, or afterwards, Matrix and CLIENT waive all rights against each other and against the contractors, consultants, agents and employees of the other for damages, except such rights as they may have to the proceeds of such insurance as set forth in the edition of AIA Document A201, General Conditions of the Contract for Construction, current as of the date of this Agreement. Matrix and CLIENT, as appropriate, shall require of the contractors, sub-consultants, agents and employees of any of them similar waivers in favor of the other parties enumerated herein.
- F. CLIENT recognizes and expects certain Change Orders may be required due, in whole or in part to omissions, ambiguities, or inconsistencies in the Drawings, specifications, and other design documentation furnished by Matrix or as a result of the other professional services performed or furnished by Matrix under this Agreement, and that Matrix is not responsible for the costs associated with these Change Orders to the extent Change Orders include any cost that CLIENT would have incurred if the covered Change Order work had been included originally in the Drawings, specifications, and other design documentation, without any omission, ambiguity, or inconsistency in the Construction Documents.
- G. To the maximum extent permitted by law, the limitations on damages, the releases from liability, the limitations of liability, and the exclusive remedies provisions expressly provided in the Agreement shall apply even in the event of the fault of Matrix(in whole or in part), including but not limited to negligence, strict liability or breach of contract of Matrix.

Matrix shall receive an adequate compensation adjustment if the delays caused by any of the above result in changes, require additional services, or result in additional costs to Matrix.

Section 16: ASSIGNMENT

Matrix and CLIENT shall not assign the Agreement in whole or part without the written consent of the other, except that CLIENT may assign this Agreement to an institutional lender providing financing for the Project. In such event, the lender shall assume the CLIENT'S rights and obligations under this Agreement, including full payment of all sums due for services rendered. Section 18: SEVERABILITY

If any clause or section of the Agreement shall be deemed void or invalid, such a decision shall only apply to that particular section(s) and shall not render the rest of the Agreement invalid. The balance of the Agreement shall remain in force.
